

structs.SInt.CC

```
graph LR; A[structs.SInt.CC] --> B[structs.Struct.IsPositive]
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text 'structs.SInt.CC'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'structs.Struct.IsPositive'. Both boxes have a black border.

structs.Struct.IsPositive
